### EVENTS:

#### **Publishing, Patents, and Startups**

Thursday, April 19th @ 4:30 PM

Centennial Engineering Center, Auditorium (1041)

Presented by Dr. Kenneth Armijo, Sandia National Labs, Brought to you by Tau Beta Pi - NM Beta  
Join us for a workshop about intellectual property, publications, and pathways to get tech ideas to market. Reception with food after the workshop.

For more information, contact ESS at 277-4354 or [ess@unm.edu](mailto:ess@unm.edu)

#### **Order of the Engineer - Induction Ceremony**

Attention Seniors & Graduate Students!

Monday, April 30th @ 6:00 PM

Deadline: Friday, April 20th @ 5:00 PM

Please see the attached flyer for detailed information on eligibility. For more information on the Order of the Engineering, visit [www.order-of-the-engineer.org](http://www.order-of-the-engineer.org). If you have any questions please contact Ava Mauser ([amauser@unm.edu](mailto:amauser@unm.edu)).

### WORKSHOPS:

#### **Stress & Anxiety Toolbox**

Tuesday, April 17th - 3:30 PM - SHAC (Rm 234)

Monday, April 23rd - 1 PM - African American Student Services (Mesa Vista Hall, 1130)

There are many causes for stress and anxiety while attending college. Academic stress, social stress, and physical stress all affect mental health. Learn how to identify situations that stress you out, and how to keep that stress from making you feel anxious and depressed. What You'll Learn: Identify

stress, anxiety, and depression; Tips and tricks on how to manage anxiety; Retrain your brain for positivity.

For more info, email: student counseling @unm.edu

## CONFERENCES:

### **UNM Water Conference - "New Mexico Water: What Our Next Leaders Need to Know"**

May 17, 2018 - UNM SUB

Registration before April 27th: \$30, full-time student: \$10

Registration after April 27th: \$50, full-time student: \$20

Register at <http://cwe.unm.edu/outreach-and-education/2018-water-conference.html>

Following the 2018 gubernatorial election, New Mexico will have new leaders of its resource management agencies. This conference will consider NM water & environmental challenges with presentations by former senior state and federal officials. Speakers include former NM State Engineers, Secretaries of the NMED, and former top level federal officials. All have lengthy experience NM.

## SPEAKERS/PANEL DISCUSSION:

### **CBE Seminar Speaker Series**

<https://cbe.unm.edu/events/index.html>

April 18, 2018 - 4 PM - Centennial Engineering Center Auditorium (1041)

[Recent Developments in Computing the Properties of Atoms in Materials](#)

[Thomas Manz](#)

Assistant Professor

Chemical & Materials Engineering

New Mexico State University

host • Nick Carroll

### **An Engaging Evening with Gina McCarthy**

UNM School of Law and the Natural Resources and Environmental Law Program

Wednesday, April 25th - 5:45 PM to 7:00 PM - UNM School of Law

Please join the UNM School of Law and the Natural Resources and Environmental Law Program to hear Obama-era Environmental Protection Agency leader Gina McCarthy at the University of New Mexico School of Law Wednesday, April 25th. McCarthy led the EPA from 2013 to 2017, during a period that included passage of the federal Climate Action Plan, the Clean Power Plan and the Paris Climate Agreement. She will address sustainability, world health and climate change. Her talk begins at 5:45pm in the Law School Forum, 1117 Stanford NE. There is free parking at the law school after 5 p.m. Former Administrator McCarthy is known for delivering lively and thought-provoking talks on ever important issues related to environmental protection, resources, and climate change. She welcomes questions

and engages fully on the issues. The law school is fortunate to have the opportunity to host an evening with her. The talk is free and open to the public, but attendees must register [here](#) online in advance. We anticipate this event will fill up quickly.

## MISC:

# Quick takes

News you need to know from the School of Engineering dean:

Albuquerque Chapter

# Order of the Engineer

Induction Ceremony

**APRIL 30, 2018**

**6 p.m.**

Centennial Engineering Center Stamm Commons

**You are eligible if you meet the following criteria:**

- Senior undergraduates (within one academic year of graduation)
- Graduate students in Engineering Accreditation Commission (EAC)- or ABET-accredited programs
- Engineering majors who graduated from an EAC- or ABET-accredited program
- Licensed professional engineers

**Application cost:** \$10 (includes ring and certificate)

**Deadline:** Friday, April 20 @ 5 p.m.

For more information on the Order of the Engineer, visit  
[www.order-of-the-engineer.org](http://www.order-of-the-engineer.org)

# Stress & Anxiety Toolbox

*A Spring 2018 Student Workshop*

There are many causes for stress and anxiety while attending college. Academic stress, social stress, and physical stress all affect mental health. Learn how to identify situations that stress you out, and how to keep that stress from making you feel anxious and depressed.

## **When & Where**

One Session-Workshop  
offered on following dates:

Tue., Jan. 30, 3:30-5:00 PM  
Wed., Feb. 28 3:30-5:00 PM  
Thu., Mar. 29, 3:30-5:00 PM  
Tue., Apr. 17, 3:30-5:00 PM  
**SHAC, Room 234**

## **What You'll Learn:**

- Identify stress, anxiety and depression
- Tips and tricks on how to manage anxiety
- Retrain your brain for positivity

## **NO CHARGE!**

*For More Info, E-Mail: [studentcounseling@unm.edu](mailto:studentcounseling@unm.edu)*

**APRIL 25, 2018**

5:45 PM TO 7:00 PM | UNM SCHOOL OF LAW

Please join the UNM School of Law and the Natural Resources and Environmental Law Program to hear Obama-era Environmental Protection Agency leader [Gina McCarthy](#) at the University of New Mexico School of Law Wednesday, April 25th.

McCarthy led the EPA from 2013 to 2017, during a period that included passage of the federal Climate Action Plan, the Clean Power Plan and the Paris Climate Agreement. She will address sustainability, world health and climate change. Her talk begins at 5:45pm in the Law School Forum, 1117 Stanford NE. There is free parking at the law school after 5 p.m.

Former Administrator McCarthy is known for delivering lively and thought-provoking talks on ever important issues related to environmental protection, resources, and climate change. She welcomes questions and engages fully on the issues. The law school is fortunate to have the opportunity to host an evening with her. The talk is free and open to the public, but attendees must register [here](#) online in advance. We anticipate this event will fill up quickly.

GINA McCARTHY

A career public servant in both Democratic and Republican administrations, Gina McCarthy has been a leading advocate for common sense strategies to protect public health and the environment for more than thirty years. As the head of EPA under President Obama, she led historic progress to achieve the administration's public health and environmental protection goals and Climate Action Plan.
